To

The Head Master,
District Normal school,
Kolar

Sir,

In obedience to Bangalore Circle Inspector's No 5590/1731 dated the 15th instant Conveyed in yours of the 19th instant, I beg to state that my date of birth is 10th June 1883. At the Commencement of my Service in the Department it was entered in my Service Register as 10th June 1881 I do not know how this mistake crept in When a Circular was issued from the office of the Inspector General of Education, regarding the Corrections of discrepancies in the date of birth I, in the year 1906 with the

intention of getting the mistake found
in my date of birth rectified produced
the Copy of my horoscope before the
Deputy Director of schools, Bangalore Distt
who was pleased to order on it that
the original horoscope should be produced
Upon that I wrote to my father with
whom the horoscope was lying to send
it at once there was an unusual
delay in getting the original horoscope
on account of it being hidden somewhere
- in the old records and also of my
father being residing in a village
far from a town Commanding a
post office By the time I got it the
period allowed for having the
necessary Corrections made expired and
therefore I was not able to get the
business done In the meanwhile
I was transferred to the Kolar
District Normal school as acting Writer
then I thought that I might not

be in a hurry about it and that
I might take up the question again
soon after I became eligible for insurance
on my life since I had to submit
my proposal in last June Consequent
on my being Confirmed in my present
appointment I thought it necessary
to have the question settled finally

Accordingly on the 5th of June 09
I submitted an application through
you together with the letter to which
the original horoscope was attached
and posted at Denkanikota
from my father and the Copy of
my horoscope bearing the Bangalore Deputy
Inspectors initials thereupon I was
directed in Inspectors No 10574 of
3307
28 6 09 Conveyed in the Kolar Normal
school No 10 of 5 7 09 to insure my
life and that the date accepted by

ii) the insurance department after
verification will be reported to
government as the correct date and
then sanction obtained for the necessary
alteration

Immediately my proposal
was then submitted and on receipt
of the intimation from the District
Medical and sanitary officer, Kolar,
regarding the transmission of the same
to the Secretary, Life Insurance Committee,
the above Correspondence in original
was also submitted to the latter for
kind perusal and favour of necessary
alteration

I remain,

Sir,

Your most obedient and loyal
servant
